THE FACTS

- [1] On November 10, 2022, the Manager (Benoit Bissonnette, conciliator) rendered a decision (the "**Decision**") on five (5) points of the Beneficiaries' claim in connection with the construction of the Building by the Contractor.
- [2] On November 30, 2022, the Beneficiaries request arbitration of the Decision on points 2, 3, 4, and hereafter named:
 - Point 2: Scratched patio door windows;
 - Point 3: Visible screw head on drywall; and
 - Point 4: Location of central vacuum outlet.
- [3] On February 10, 2023, the Beneficiaries informed the parties and the Tribunal that they concluded an agreement with the Contractor and therefore wishes to desist from their request for arbitration.
- [4] Consequently, the Tribunal takes note of the withdrawal of the Beneficiaries from their request for arbitration.
- [5] The costs of this arbitration are the sole responsibility of the Administrator.

FOR THESE REASONS, THE ARBITRATION TRIBUNAL:

TAKES NOTE of the withdrawal of the Beneficiaries' request for arbitration on points 2, 3 and 4 of their request for arbitration.

CONDEMNS the Administrator to pay the costs of the arbitration.
